

PROFESSIONAL SUMMARY

M.Sc. Computer Science student specializing in ethical hacking, cybersecurity frameworks, Vulnerability Assessment and Penetration Testing (VAPT). Proficient in mapping adversarial attack vectors, mitigating OWASP Top 10 vulnerabilities, and conducting network security audits utilizing industry-standard tools. Adept at evaluating defensive postures to implement robust infrastructure security countermeasures.

TECHNICAL SKILLS

Offensive Security: Ethical Hacking Methodologies, System Exploitation Testing, Social Engineering Defense, Session Hijacking Countermeasures, DoS/DDoS Mitigation Frameworks.

Vulnerability Management & Web Auditing: OWASP Top 10 Application Security, API Penetration Testing, Secure Source Code Evaluation, Network Footprinting, Port Scanning, Protocol Enumeration, Traffic Packet Analysis, Infrastructure Hardening.

Tools: Burp Suite, OWASP ZAP, Nmap, Wireshark, Nessus, OpenVAS, Metasploit Framework, Hydra, John the Ripper, SQLmap, Bettercap, Nikto, Advanced Network Utilities.

Operating Systems & Lab Environments: Kali Linux, Linux (Ubuntu/Debian), Windows Server, Metasploitable Target Environments.

PROJECTS

OWASP Web Application Exploit & Remediation Lab

- Simulated complex application-layer attacks including SQL Injection, Cross-Site Scripting (XSS), and Broken Authentication—within isolated virtual testing environments.
- Utilized Burp Suite and OWASP ZAP to intercept HTTP traffic, analyze session headers, enumerate hidden directories, and evaluate parameter inputs.
- Implemented secure coding practices, rigorous input validation, parameterized database queries, and custom security headers to achieve 100% vulnerability remediation.

PROFESSIONAL CERTIFICATIONS

Google Cybersecurity Certificate	Coursera
Python Developer Certificate	Udemy
Programming with Python 3.X	Simplilearn
Microsoft Office Specialist	Microsoft

EDUCATION

Master of Science (M.Sc.) in Computer Science

Sinhagad College, Pune

2025 – Present

Bachelor of Science (B.Sc.) in Computer Science

Modern College of Arts, Science and Commerce, Ganeshkhind, Pune

2022 – 2025
